ABOUT ME

I'm a passionate **Front-end Software Engineer**, experienced in making valuable and innovative contributions to a team. Primarily skilled in **React**, with a portfolio showcasing ongoing commercial and personal projects: **www.andreapiano.dev** .

Most of my IT experience was gained working at **Softfobia (Minsait)**, where I collaborated on notable projects for renowned brands such as **Greenpeace**.

After spending some time living in the **UK** and working as a Data Engineer on a short-term project for **Vodafone**, I am currently working at **Proedis**.
